Mental Health Seclusion Furniture

MEDFOAM CHAIR & TABLE

MEDFOAM BED

Medfoam furniture is manufactured in Australia using High Density Foam providing maximum comfort with long life durability. The advanced foam cell construction gives the product the ability to rapidly recover it's shape bouncing back time after time.

Sanitized treated foam is a standard feature with **Medfoam**. This process inhibits the growth of bacteria, mould, mildew and fungal attack.

Flame Retardant is optional with the **Medfoam** range which complies with BS 5852 Standards adding safety to the list of features.

Upholstery. A wide range of Polyurethane Vinyl Coated Fabrics is available as standard including: Cordova, Twill and Mediflex.
