All Jomor waterproof mattress covers have the following properties:

- Breathable, 4 way stretch, soft & anti shear, fire retardant
- Screen printed with cleaning and care instructions

Jomor uses quality Australian made Dunlop foam

- All foam is Ultra-Fresh treated, an antimicrobial compound that inhibits the growth of a wide spectrum of bacteria, fungi, mould and mildew

All Jomor mattresses:

- Can be rotated to extend their life.
- Can come with regular non waterproof stretch knit covers
- Are listed with TGA
- Have been computer mapped to achieve superior pressure redistributing performance

^ ROHO inserts purchased separately

PUPPS* = Pressure Ulcer Point Prevalence Survey
